

National Coalition for LGBTQ Health

HealthLGBTQ.org

The National Coalition for LGBTQ Health is committed to improving the health and well-being of lesbian, gay, bisexual, and transgender individuals through federal and local advocacy, education, and research. The Coalition strives to address the entire LGBTQ+ community, including individuals of every sexual orientation, gender, gender identity, race, ethnicity, and age regardless of disability, income, education, and geography. The Coalition created and leads the annual National LGBTQ Health Awareness Week.

COMMUNICATIONS

Vision

- » Change public and private sector policies, laws, and regulations regarding LGBTQ+ health and related issues;
- » Increase resources to expand culturally competent health and social services delivery to a diverse and inclusive LGBTQ+ population; and
- » Build and disseminate knowledge regarding LGBTQ+ population's health status, access to and utilization of health care and other health-related information.

Values

- » Eliminating health disparities that occur based on sexual orientation, gender identity and presentation, gender, race/ethnicity, education or income, disability, nationality, geographic location and age; and
- » Deriving its power and legitimacy from its membership and is committed to working on partnerships and in consultation with its members in carrying out its work.

National
Coalition for
LGBTQ
Health

The Coalition is an initiative of HealthHIV, a national nonprofit focused on health equity.

THE 24TH NATIONAL
LGBTQ HEALTH
AWARENESS WEEK

HealthLGBTQ.org

During National LGBTQ Health Awareness Week, hundreds of individuals and organizations across the country will join in conversations to advocate for improved health outcomes for the LGBTQ community.

The Coalition created the National LGBTQ Health Awareness Week more than two decades ago to raise awareness about timely and relevant issues impacting LGBTQ health care.

HealthLGBTQ.org/awareness-week

Organized by HealthHIV, HealthHCV, and the National Coalition for LGBTQ Health, this one-of-a-kind national conference synchronizes the healthcare community by bringing together thousands of health professionals, advocates, and consumers to SYNC ideas and practice to effectively address HIV, HCV, STIs, LGBTQ Health, Harm Reduction, and Health Equity.

STATE OF
LGBTQ Health™
National Survey

HealthLGBTQ.org/stateof/lgbtqhealth

The National Coalition for LGBTQ Health administers the annual State of LGBTQ Health™ National Survey to identify the “state of” healthcare for LGBTQ communities. The survey’s insights will be used to optimize the education and training of the LGBTQ healthcare workforce, and to better inform LGBTQ health advocacy, education, research, and training activities.
